We have to record your agreement in order to meet our legal obligations – thank you!

CONSENT TO HOLD DATA

Dr M.E. Bradshaw’s Special Teesdale Flora Research & Conservation Trust (The Trust) and your data privacy

Dear member

The Trust is now a registered charity and we are instituting our data protection policy and procedures in line with data privacy regulations. We must seek and record your consent for Dr M.E. Bradshaw’s Special Teesdale Flora Research & Conservation Trust to store your personal data.

We promise to use the personal details you have provided only to send you Upper Teesdale Botany Group and Teesdale Special Flora Trust information, very occasionally to forward information about other publications or events that we feel may be of interest and to produce anonymised reports for funders. The full details of our data protection policy will be available on our new website shortly or please ask us if you would like to receive a copy by email or post.

Your details will be held securely and will never be made public or passed on. You may ask for your details to be altered or deleted at any time simply by contacting us at enquiries@teesdalespecialflora.uk

YOUR CONSENT: If you are happy for us to store your details and continue to contact you, **please type ‘YES’ by the statement below.**

Thank you.

STATEMENT: I give consent for Dr M E Bradshaw’s Teesdale Special Flora Research & Conservation Trust to collect and store my personal data as listed above and to contact me:

YES
